**Re: Application of Duke Energy Progress, LLC for Adjustments in Electric Rate  
Schedules and Tariffs and Request for an Accounting Order  
Docket No. 2018-318-E**

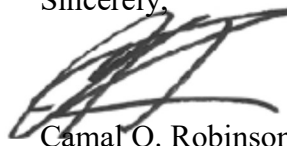

Dear Mrs. Boyd:

Enclosed for filing with the South Carolina Public Service Commission are clean and redlined versions of the revised rebuttal testimony of Duke Energy Progress (“DE Progress or the “Company”) witnesses Kodwo Ghartey-Tagoe, Laura A. Bateman, Kelvin Henderson, Robert B. Hevert and John L. Sullivan, III. Pursuant to Terms and Conditions No. 4 of the Stipulation entered into by DE Progress and Nucor Steel-South Carolina (“Nucor”), filed on March 29, 2019 in this docket, the Company’s revised rebuttal testimony withdraws references to Nucor witnesses and Nucor-specific issues raised by Nucor in their direct testimony filed on March 4, 2019.

Additionally, for the aforementioned reasons, the Company is withdrawing, in their entirety, the rebuttal testimony of DE Progress witnesses John Panizza and John Spanos.

Please contact me or Heather Shirley Smith should you have any questions. Thank you for your assistance in this matter.

Sincerely,

Camal O. Robinson
